

# Capability Statement

## OUR BACKGROUND

Tanner Consulting is an established organisation built on the long term, multi disciplinary experience of its Principal and Consultants.

Our clients are from the business, community and government sectors, and include:

- Agribusiness enterprises
- Community groups
- Government departments
- Listed companies
- Natural resource management organisations
- Non-government organisations
- Owner-operated businesses
- Regional councils
- Sporting clubs

Since 2004 Tanner Consulting has built a reputation in Central Queensland for professionalism, results and value. We have also developed a network of consultants from other fields, with whom we collaborate on selected projects.

## PROFESSIONALISM

The Tanner Consulting team, includes qualifications and experience in:

- Business case development
- Business planning
- Community consultation
- Community development
- Economic development
